Student Interview and Financial Aid Success Story: *Gizeh Martinez*

We recently sat down to talk with LTCC student Gizeh Martinez, who is at UNR this Fall studying Psychology and Sociology after graduating from LTCC with AA degrees in Psychology, Social Sciences, and Sociology. Like many

young, college-bound people, Gizeh's path into LTCC had a few bumps in it. But by understanding the possibilities and taking full advantage of all of the financial aid available to her, Gizeh's academic success became possible. It can happen for you, too!

Q: How did you come to LTCC?

A: I was born and raised in South Lake Tahoe. After graduating from South Tahoe High, I moved to Reno to pursue a license and career in cosmetology. I was working at a salon when I found out I was pregnant. I moved back to Tahoe to be closer to my mom and family, and gave birth to my son in August 2013. That September, I started as a full-time student at LTCC. I wanted a better future for both of us, and I knew his life would be better if I had a college education. It opens up so many more possibilities.

Q: How did you find out about the kinds of financial aid that are available, and what worked for you?

A: I started at LTCC as a CalWORKs and Federal Work-Study student in the Student Services department. That's where I learned about all of the various options I could tap into. I filled out the FAFSA form online – that's how you can become eligible for the BOGFW (Board of Governors Fee Waiver), which made tuition free for me. Because I qualified for the BOGFW, I also became eligible for EOPS (Extended Opportunity Programs & Services), and that got me a \$200 book card that I used to buy my textbooks. And, the FAFSA also made me eligible for

Pell Grants, and those have delivered about \$1,800 per quarter. It's all an amazing amount of help, and it made all the difference for me. My tuition, books, and a big chunk of my living expenses were covered.

I also applied for and won scholarships. The big one for me was the Erica Faye Ledbetter Scholarship, which I won all three years I was at LTCC. That gave me another \$2,000 per year, which really made a big difference for me. The Ledbetter family has been a huge help to me and my son. Their scholarship made my time at LTCC possible, and it'll help me in my first year at UNR, to afford to be there. Students don't always take advantage of all the scholarships available to us at LTCC. Just apply – you could win! Take the initiative and apply.

Q: Being a parent can be tough under any circumstances. How did you manage those duties and tackle college at the same time?

A: I think a lot of people assume that a child will end any hopes you may have about college for yourself. I know that's not true, and I've done very well academically in those circumstances. Other people can, too. First, educate yourself about the options available to you at LTCC. Then, build relationships with people on campus who can help you fill out the applications and access the financial support you need. Get super-close with your academic counselor! They're there to help you. That's how doors will open for you.

Q: You work in LTCC's Equity Office, helping other Hispanic students get the support they need. How do you talk to them about motivation and staying in school?

A: My mom was a big motivator and helper for me, and she still is. She wanted me to go to college and pushed me in that direction. But not everyone has that kind of support system around them. So I become their support system at LTCC. I'll tell students to find a way to want this for themselves. Learn to want to be a better person for yourself, and the success will come.

Entrevista a un alumno e historia de éxito de ayuda financiera: *Gizeh Martínez*

Recientemente nos sentamos a platicar con la alumna de LTCC Gizeh Martínez, quien se encuentra en UNR este otoño estudiando Psicología y Sociología después de graduarse de LTCC con calificaciones AA en Psicología, Ciencias Sociales, y Sociología. Como

muchas personas jóvenes y dispuestas a ir a la universidad, el camino de Gizeh en LTCC tuvo algunos obstáculos. Pero tras entender las posibilidades y aprovecharse de que había ayuda financiera a su disposición, el éxito académico de Gizeh se hizo posible. ¡También te puede pasar a ti!

P: ¿Cómo viniste a LTCC?

R: Nací y crecí en South Lake Tahoe. Después de graduarme de la preparatoria South Tahoe, me mudé a Reno para conseguir una licencia y una carrera en cosmetología. Trabajaba en un salón cuando descubrí que estaba embarazada. Regresé a Tahoe para estar más cerca de mi mamá y mi familia, y mi hijo nació en agosto del 2013. En septiembre de ese año, empecé como alumna de tiempo completo en LTCC. Quería un mejor futuro para ambos, y yo sabía que su vida sería mejor si yo tenía educación universitaria. Recibí muchas más posibilidades.

P: ¿Cómo descubriste sobre los tipos de ayudas financieras que están disponibles, y cuál funcionó para ti?

R: Empecé en el LTCC como una alumna de CalWORKs y Federal Work-Study en el departamento de Servicios de Alumnos. Así fue como aprendí sobre todas las opciones de las que podía aprovecharme. Rellené el formulario FAFSA online – así es como puedes ser elegible para el BOGFW (Exención de Cuotas de la Junta de Gobernadores, por sus siglas en inglés), que hizo que la matriculación fuera gratis para mí. Ya que calificaba para el BOGFW, también fui elegible para EOPS (Programas y Servicios de Oportunidad Extendida), y eso me dio una tarjeta de libro de \$200 que usé para comprar mis libros de texto. Y la

FAFSA también me hizo elegible para Pell Grants, quienes han proporcionado alrededor de \$1,800 por trimestre. Es una cantidad de ayuda increíble, y supuso toda la diferencia para mí. Mi matriculación, mis libros y una gran parte de mis gastos de vida fueron cubiertos.

También apliqué y gané becas. La beca más grande para mí fue la Erica Faye Ledbetter Scholarship, que gané los tres años en los que estuve en LTCC. Eso me dio otros \$2,000 por año, que realmente fue una gran diferencia para mí. La familia Ledbetter ha sido una gran ayuda para mí y mi hijo. Su beca hizo que mi tiempo en LTCC fuera posible, y me ayudará en mi primer año en UNR, para permitirme estar allí. Los alumnos no siempre se aprovechan de las becas disponibles para nosotros en LTCC. Solo aplica: ¡Podrías ganar! Toma la iniciativa y aplica.

P: Ser una madre puede ser duro bajo cualquier circunstancia. ¿Cómo manejaste esas responsabilidades y te dedicaste a la universidad al mismo tiempo?

R: Creo que mucha gente da por hecho que un hijo terminará cualquier esperanza que tengas sobre ir a la universidad. Yo sé que eso no es verdad, y he rendido muy bien académicamente en esas circunstancias. Otras personas pueden, también. Primero, infórmate sobre las opciones disponibles para ti en LTCC. Después, construye relaciones con la gente del colegio que puede ayudarte a rellenar las aplicaciones y acceder a la ayuda financiera que necesitas. ¡Sé súper-cercano con tu consejero académico! Ellos están allí para ayudarte. Así es como se abrierán puertas para ti.

P: Tu trabajo en la Oficina de Equidad de LTCC, ayudando a otros alumnos hispanos a conseguir el apoyo que necesitan. ¿Cómo hablas con ellos sobre motivación y quedarse en la escuela?

R: Mi mamá fue una gran motivadora y una gran ayuda para mí, y aún lo sigue siendo. Ella quería que yo fuera a la universidad y me empujó en esa dirección. Pero no todos tienen esa clase de sistema de apoyo cerca de ellos. Así que me convertí en su sistema de apoyo en LTCC. Les diré a los alumnos cómo encontrar una manera de querer esto por ellos mismos. Aprende a querer ser una mejor persona por ti mismo, y el éxito llegará.

You Can Afford College

Think you can't afford college? Think again! LTCC offers lots of different avenues to help you reach your academic goals within your budget. There are fee waivers, student work options, scholarships, grants, and lots

more opportunities to help you get the college education you need.

First things first: to apply for most financial aid, you'll need to complete just one application - the Free Application for Federal Student Aid (FAFSA) for 2016-17. This is the most effective way to be considered for all of the financial aid programs Lake Tahoe Community College offers. Go to www.FAFSA.ed.gov to apply! If you need help with the FAFSA form, visit or call LTCC's Enrollment Services Department for assistance. Here's a look at various types of aid you might qualify for:

FEDERAL FINANCIAL AID

FEDERAL PELL GRANTS are awarded by the federal government. They can provide up to \$5,815 for the 2016/17 school year, depending on your enrollment status (full time or part time), your expected family contribution as determined by the government's calculation, and your family size.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (FSEOG) are meant to supplement other financial aid sources. These grants are typically \$750 per school year at LTCC. To be eligible, you must be enrolled at least half time, have the lowest expected family contributions (EFC=0), and also receive Federal Pell Grants. Because LTCC receives limited funding for these grants, not all students who meet the criteria will be awarded an FSEOG.

FEDERAL WORK STUDY (FWS) is a federally-funded program that gives students the opportunity to earn money by working on campus. There are a few positions available in various departments at LTCC. The 2016/17 pay rate for work-study students is \$10.50/hour.

STATE FINANCIAL AID

BOARD OF GOVERNORS FEE WAIVERS (BOGFWs) cover enrollment fees for qualifying students. Starting in Fall 2016, you must maintain a 2.0 cumulative grade point average and successfully complete greater than 50% of all class units attempted at LTCC to be eligible for the BOG Waiver. If you are a California

resident or an AB540 student, you may be eligible for a BOGFW if you meet any one of these criteria:

1. You have established financial need based on completing the FAFSA.
2. Your family's income is:

Number in Household (including yourself)	Family's 2015 Income
1	\$ 17,655 or less
2	\$ 23,895 or less
3	\$ 30,135 or less
4	\$ 36,375 or less
5	\$ 42,615 or less

Add \$6,240 for each additional dependent.

3. You (or your parent, if you are a dependent student) are currently receiving TANF/ CalWORKs, SSI/SSP, or General Assistance;
4. You have certification from the California Department of Veterans Affairs, the National Guard Adjutant General, the Department of Veterans Affairs, the California Victim Compensation & Government Claims Boards, or a law enforcement/fire suppression agency showing that you are eligible for a Board of Governors fee waiver for 2016-17;

CAL GRANTS are awarded by the California Student Aid Commission (CSAC). March 2 is the deadline to apply for the next school year. There is a second deadline of September 2 for competitive Cal Grants. A FAFSA form as well as verification of grade point average must be submitted by the deadline. For LTCC students, verification of grade point average is automatically sent to CSAC, in an electronic format, for all potentially eligible students.

ATTN: California Dreamers and DACA Students ~ You should complete the California Dream Act Application to apply for State financial aid, including the Cal Grant. It is available online at <https://dream.csac.ca.gov>. Contact LTCC's Financial Aid Office if you would like help in completing the Dream Act Application.

CHAFEE GRANT gives up to \$5,000 annually in grant funds to foster youth and former foster youth to use for educational expenses. Contact the Financial Aid Office for assistance in applying.

Stop by the Financial Aid office in the One-Stop Center for more information, also refer to page 44.

Tú Puedes Asistir a la Universidad

¿Crees que no puedes asistir a la universidad? ¡Piensa otra vez! LTCC ofrece muchos caminos diferentes para ayudarte a alcanzar tus metas académicas dentro de tu presupuesto. Hay exención de cuotas, opciones de trabajo para alumnos, becas, subvenciones, y

muchas más oportunidades para ayudarte a conseguir la educación universitaria que necesitas.

Lo primero es lo primero: para aplicar para la mayoría de ayuda financiera, necesitarás completar solo una aplicación – la Solicitud Gratuita para Ayuda Federal para Alumnos (FAFSA, por sus siglas en inglés) para 2016-17. Esta es la manera más efectiva que debe ser considerada para todos los programas de ayuda financiera que ofrece el Colegio Comunitaria de Lake Tahoe. ¡Visita www.FAFSA.ed.gov para aplicar! Si tú necesitas ayuda con el formulario FAFSA, visita nuestro Departamento de Servicios de Matriculación de LTCC para asistencia. Revise los diferentes tipos de ayuda para lo cual quizá califiques:

AYUDA FINANCIERA FEDERAL

SUBVENCIONES FEDERALES PELL son concedidas por el gobierno federal. Pueden proporcionar hasta \$5,815 para el año escolar 2016/17, dependiendo de tu estado de matriculación (tiempo completo o tiempo parcial), tu contribución familiar estimada como determine el cálculo del gobierno, y el tamaño de tu familia.

FSEOG, POR SUS SIGLAS EN INGLÉS) están para apoyar otras fuentes de ayuda financiera. Estas subvenciones normalmente proporcionan \$750 por año escolar en LTCC. Para ser elegible, tienes que estar matriculado al menos medio tiempo, tener las más bajas contribuciones familiares estimadas (EFC=0), y también recibir Subvenciones Federales Pell. Ya que LTCC recibe financiación limitada para estas subvenciones, no todos los alumnos que cumplen los criterios son concedidos una FSEOG.

ESTUDIO DE TRABAJO FEDERAL (FWS, POR SUS SIGLAS EN INGLÉS) es un programa de financiación federal que da a los alumnos la oportunidad de ganar dinero trabajando en el campus. Hay unas pocas posiciones disponibles en varios departamentos en LTCC. La tarifa de pago 2016/17 para los alumnos que trabajan y estudian es de \$10.50 por hora.

AYUDA FINANCIERA ESTATAL

EXENCIÓN DE CUOTAS DE LA JUNTA DE GOBERNADORES (BOGFWs, POR SUS SIGLAS EN INGLÉS) cubre las tasas de matriculación para los alumnos que califican. Comenzando en otoño 2016, tienes que mantener un promedio académico acumulativo de 2.0 y completar satisfactoriamente más del 50% de todas las unidades de clases intentadas en LTCC para ser elegible para la exención BOG.

Si eres un residente de California o un alumno AB540, quizá seas elegible para una BOGFW si cumples alguno de estos criterios:

1. Has establecido una necesidad financiera basada en completar el FAFSA
2. Tu ingreso familiar es de:

Tamaño del hogar (incluyendo tú)	Ingreso familiar 2015
1	\$ 17,655 o menos
2	\$ 23,895 o menos
3	\$ 30,135 o menos
4	\$ 36,375 o menos
5	\$ 42,615 o menos

Añadir \$6,240 por cada familiar dependiente adicional

3. Tú (o tus padres, si eres un alumno dependiente) estás recibiendo actualmente TANF/ CalWORKs, SSI/SSP, o Asistencia General;
4. Tienes certificación del Departamento de Asuntos de los Veteranos de California, la Guardia Nacional Asistente General, el Departamento de Asuntos de los Veteranos, la Compensación de Víctimas de California y las Juntas de Compensación del Gobierno, o una agencia de la ley o de extinción de incendios indicando que eres elegible para una Exención de la Junta de Gobernadores para 2016-17;

SUBVENCIONES CAL son entregadas por la Comisión de Ayudas a Alumnos de California (CSAC, por sus siglas en inglés). El 2 de marzo es la fecha límite para aplicar para el próximo año escolar. Hay una segunda fecha límite el 2 de septiembre para las Subvenciones Cal competitivas. Un formulario FAFSA así como una verificación del promedio académico acumulativo deben ser entregados en esa fecha límite. Para los alumnos LTCC, la verificación del promedio académico acumulativo es enviada automáticamente a CSAC, en un formato electrónico, para todos los alumnos potencialmente elegibles.

ATENCIÓN: California Dreamers y alumnos DACA Students ~ Tú deberías completar la Aplicación de la Ley California Dream para aplicar para ayuda financiera estatal, incluyendo la subvención Cal. Está disponible online en <https://dream.csac.ca.gov>. Contacta la Oficina de Ayuda Financiera de LTCC si quisieras ayuda para completar la aplicación de la Dream Act

SUBVENCIÓN GRANT proporciona hasta \$5,000 para jóvenes en hogar temporal y antiguos jóvenes en hogar temporal para usarlos en gastos educativos. Contacta la Oficina de Ayuda Financiera para asistencia para aplicar.

Visita la oficina de Ayuda Financiera en el One-Stop Center para más información, también consulta la página 44.

FINANCIAL AID STUDENTS

IMPORTANT CHANGES AT LTCC THIS FALL!

Please take time to read the notices below.

BOG FEE WAIVER CHANGES NOW IN EFFECT

In an effort to help students succeed in the California community colleges, the Student Success Act of 2012 (California Senate Bill 1456) was signed into law by Governor Brown. Among other aspects, the Act included the creation of minimum academic and progress standards that must be met for continued eligibility for the Board of Governors Fee Waiver Program. The requirements are as follows and go into effect for the **fall of 2016**.

1. **Achievement:** Students must achieve a 2.0 grade point average (GPA). If your cumulative GPA falls below 2.0 for two consecutive primary terms, you may lose your fee waiver eligibility.
2. **Progress:** Students must complete more than 50% of their coursework. If your cumulative number of units completed is not more than 50% in two consecutive primary terms, you may lose your fee waiver eligibility.
3. **Combination of Academic and Progress Standards:** Any combination of two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50% may result in loss of fee waiver eligibility.

You'll be notified within 30 days of the end of each term by the college if you are being placed on either Academic (GPA) and/or Progress (Course Completion) probation. Your notification will include the information that a second term of failure to meet academic and progress standards will result in loss of fee waiver eligibility. After the second consecutive term of failure to meet standards, you may lose eligibility for the fee waiver at your next registration opportunity.

Please take advantage of the many support services available to you at LTCC.

We encourage you to visit with financial aid if you have any questions about this regulation or about your status.

FINANCIAL AID DISBURSEMENT PROCESS IS CHANGING

Lake Tahoe Community College is excited to announce a new and exclusive partnership with Bank Mobile for financial aid refunds. This partnership will also lead to improved and more efficient service to meet students' financial aid needs.

You will now have three options for receiving refunds:

- **Deposit to a personal bank account**
- **Deposit to OneAccount**, a non-interest bearing, Internet-only checking account serviced by Bank Mobile
- **Paper check sent via U.S. mail**

All LTCC students will be asked to make a refund delivery preference selection from the options listed above. Here's what you need to do:

1. Update your mailing address

Bank Mobile will mail a Refund Selection Kit to the current address you have on file with LTCC. This will be in a green envelope. If you're not sure the college has your current mailing address, please take a moment to update your address information at the One Stop Office located in the Main Building Commons.

2. Visit ltccbluecard.com to make a choice

Once your kit arrives, go to ltccbluecard.com and enter your personal code to get started. Then simply complete the online setup process to customize your preferences, including setting up refund status email updates and mobile alerts.

For more information, please visit ltccbluecard.com.

We are here to help!

BOND PROJECT UPDATE

Thanks to the support of our community, several major projects funded by Measure F are coming to campus this Fall:

Main Parking Lot

The main parking lot located on the south side of campus will be completely renovated. Work will be completed this Fall. In addition to resurfacing the lot, some existing sidewalks will be replaced with heated walkways, including a new path running through the entire parking lot for quicker and safer building access. A plaza will also be constructed in front of the Roberta L. Mason Library, along with a new bike path that will connect to South Lake Tahoe's integrated trail system. This project will impact parking access on campus. Watch for signs pointing to alternate parking, and please consider carpooling, or using public transportation or pedal power to visit campus during this time.

Soccer Field

Work on the soccer field will be completed this Fall. The old field will be entirely replaced, and a new scoreboard, permanent bleachers, and heated pathways are coming, providing easier access to the field year-round. Additional green space surrounding the field will also be added to give spectators more room on the sidelines, and a permanent practice area will be built adjacent to the field.

Gymnasium

Construction is already underway in the PE Building, which will be completed this Fall. New bleachers are going in, along with a brand-new gym floor that will proudly welcome one and all to Coyote Country. Expect a lot of Coyote branding in the gym, plus a new scoreboard.

INTERNSHIP

INTERNSHIP - GENERAL WORK EXPERIENCE

This course is a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Internship opportunities are posted online at ltcc.edu. Here are the steps to get started: First, complete an application available online at ltcc.edu or at Student Services office. Next, make an appointment to interview with instructor by calling ext. 294. Attend mandatory orientation meeting (only after interviews and a confirmed internship). This is a 12-week placement the student earns that gives students on-the-job experience directly related to the student's current educational goals and may be used to help students clarify career and academic options. Students must schedule an interview with the instructor to apply for internship and have good academic standing. Applications are available online at www.ltcc.edu under academics. A sampling of internship opportunities are posted online. Internships are usually on a volunteer basis and students are encouraged to apply at least a month before the quarter begins.

INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED TO ENROLL IN THIS PROGRAM. After completing the application, make an appointment to interview with the instructor by calling (530) 541-4660 ext. 703. You must bring an unofficial copy of your transcript and a current resume. Transfer CSU only

Foster & Kinship Care Education Program

LTCC offers free, non-credit trainings in Foster and Kinship Care Education. Courses are taught in both English and Spanish. Both programs are designed to support foster parents, relative caregivers, and non-relative caregivers, but can be valuable for anyone working with children. Sessions consist of lectures by quality trainers, interactive material, and dynamic group processes. Topics focus on parenting skills, child development, trauma informed care giving, accessing community resources, cultural diversity training, and other specialized topics regarding local issues. RSVP is appreciated but walk-ins are welcome. These trainings are free to the public and all community members are welcome. See below for details.

EDUCATION IN SPANISH

Las clases serán impartidas en Español para padres y tutores que cuidan a niños de familiares/amigos. Las sesiones consistirán de lecturas, segmentos de videos, y procesos en dinámica de grupos. El currículo se enfocara en 1) recursos comunitarios, 2) etapas y procesos del desarrollo, 3) desarrollo de una relación entre padres y hijos, 4) toma de decisiones y consecuencias, 5) el poder de motivar, y 6) disciplina positiva.

REG: Todos son bienvenidos a registrarse en esta clase. Las inscripciones se haran dentro de la clase y directamente con el instructor. Favor de no dirigirse a la oficina de Admisiones y Registros para matricularse. Las capacitaciones se dan todos los martes y miércoles durante todo el trimestre. Para mas información, por favor llame al Centro de Recursos Familiares al (530) 542-0740.

EDUCATION IN ENGLISH

These trainings are geared toward educating and empowering English-speaking foster parents, kinship care providers, and non-relative caregivers. Trainings also can be educational for anyone working with children. Classes consist of 3 hours of training. Trainings are independently offered and will cover different topics. Trainings occur on Monday nights approximately two times per month with special event trainings occurring throughout the year. English Kinship support classes are held the third Friday of every month in the evening. For more information, call Dana McKnight Flentroy at ext 528 or email at mcknight@ltcc.edu.

NOTE: No cost. Dates subject to change.

LEARNING DISABILITY ASSESSMENT:

Students who are interested in being tested for eligibility for Learning Disability Services should contact the Disability Resource Center (DRC) at ext. 249 or drop by Room A205. Learning Disability Assessment will be conducted on a first-come/first-serve basis, depending upon student availability for testing appointments. If you have difficulty with one or more classes, with test-taking, or with a particular learning-related activity, please stop by the DRC to talk about this great service for students.

SNOW DAY POLICY

In the event of extreme weather conditions, please check the LTCC website, www.ltcc.edu, or call the college's main line (530) 541-4660. If classes are to be cancelled or delayed, every effort will be made to contact radio and television stations by 5:30 am.

Announcements will be made on the following stations: KRLT/KOWL, KTHO, Lake Tahoe TV, and Outside TV. Note that television and radio stations sometimes take 15-30 minutes to update their lists. Before leaving home, check again for delays or cancellations.

If classes are to be cancelled or delayed, please take note of the following:

- ❄ ALL CLASSES CANCELLED — all day and evening sections will be cancelled and the college will be closed.
- ❄ CLASSES CANCELLED — DAY sections only — all classes starting before 5:30 pm will be cancelled. All classes starting at 5:30 pm or later will be held.
- ❄ CLASSES CANCELLED — EVENING sections only — all classes starting at 5:30 pm or later will be cancelled.
- ❄ CLASSES "DELAYED" UNTIL A CERTAIN TIME. - Example: "Classes delayed until 10:00 am" would mean that ALL classes starting before 10:00 am are cancelled, while classes starting at 10:00 am or later will be held.

With respect to holding or cancelling classes during bad weather, experience has shown that there is never a decision that satisfies everyone. Students and faculty are expected to use good judgment and discretion, since road conditions and personal circumstances may vary. If you are driving to LTCC and it is snowing, please be careful and leave yourself enough time to drive slowly and still arrive in time for your classes.

Keeping Our Campus Safe

In an effort to quickly and seamlessly inform the campus and community about emergencies, we now offer LTCC Alert. This mobile emergency notification system allows users to receive notifications via text, email, and voice regarding fires and other emergencies, weather closures, power outages, and other on-campus situations that may affect normal business operations.

All currently registered students are automatically entered into LTCC Alert each quarter based on contact information provided during the registration process. Your LTCC Alert login credentials are the same as those you use to login into Passport. If you'd like to make changes to your LTCC Alert account, including stopping messages from going to your cell phone or email address, go to www.getrave.com/login/ltcc and select the My Account tab.

Community members, parents, former LTCC students and others who want to receive LTCC Alert emergency notifications can self-register by going to <https://www.getrave.com/login/ltcccommunity>.

LTCC Alert will only send messages related to emergencies and timely notifications. We respect your privacy, and you will never receive any SPAM or notifications other than official LTCC communications.

Each student must assume complete responsibility for compliance with the instructions and regulations set forth in this schedule for selecting the courses that will permit achievement of individual educational objectives, and for satisfying prerequisites for any course which they plan to take.

The College likewise assumes no responsibility for misinterpretation by students of policies and procedures as presented in this schedule. Counselors and faculty are available and willing to assist students in planning their programs.

Any questions or doubt concerning schedule material should be referred to the Office of the Vice President, Academic Affairs.

PREREQUISITES, COREQUISITES AND ADVISORIES

Some courses and educational programs have prerequisites, corequisites, or advisories considered necessary and appropriate to ensure that students are adequately prepared to succeed in the course or educational program.

Students are required to show proof of meeting the prerequisite in order to register for the course. Are there other limitations on enrollment? Yes. Enrollment in certain courses or educational programs of study may require try-outs, auditions, or may be limited by health and safety considerations, and space limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

What if I don't have the necessary prerequisites or corequisites? Students will not be permitted to enroll in a class for which they cannot demonstrate they have met the prerequisite, or are enrolled in the corequisite. If it is determined after a course begins that a student has not met the prerequisite, he/she will be dropped from the course.

Grounds for appeal

- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
- The student possesses the skills/knowledge necessary to protect the health or safety of him/herself and others despite not meeting the stated health and safety prerequisite.
- The prerequisite or corequisite course is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite has not been made reasonably available.
- The prerequisite or corequisite has not been established in accordance with the District's process for establishing prerequisites or corequisites.
- The prerequisite or corequisite is in violation of Title 5.

Prerequisite Appeal Procedure

A student may appeal a prerequisite or corequisite by filing a Prerequisite or Corequisite Appeal Petition. This form can be obtained from Enrollment Services.
